

On the website are the parade line-up, parade route, and map of the staging area. Entry into the parade staging area, which is on 3rd Ave, will be at the intersection of 3rd Ave and California St/Les Kouba Parkway. Cenex is on the SW corner of that intersection. Parade units/floats are the only vehicles allowed on 3rd Ave. **No cars are allowed on 3rd Ave to drop people off.** Side roads can be used to drop people off near the appropriate staging area. Using your parade unit number, refer to the attached staging area map to determine where you will line-up on 3rd Ave. There will be numbered, color-coded stakes on both the sides of the road, spaced 50ft apart, to direct you to the appropriate area. For example, if you are unit 33, you can see on the staging map that units 31-40 are in green and are near Casper's Chiropractic. If you are unit 99, your stake is brown and you are near Tri-County Water.

If you have any questions, please let me know. We appreciate your support of the Hutchinson Jaycee Water Carnival Grand Day Parade. Have fun and enjoy the day!

Sincerely,  
Shawn Knorr  
2013 Parade Chair
