CARDBOARD BOAT RACE RULES

Please read the following rules carefully:

1. Construction materials are limited to cardboard and duct tape only.
2. Use of paint or other hazardous waste materials will not be allowed and result in automatic disqualification.
3. Boat inspection and judging will be completed prior to the races.
4. No additions or modifications may be made once the boat is officially checked in on race day.
5. Boats must have sides. No surfboard style boats allowed.
6. The boat's passenger area must not be enclosed above the occupant's shoulders for escape purposes.
7. All boats will be disposed of in a designated dumpster on-site after the races.
8. Use of U.S. Coast Guard-approved personal flotation device (PFD) will be required by all participants. Extra PFDs will be available for use on race day.
9. Every participant signing up for this event accepts the "assumption of Risk, Release of Liability and Indemnification" liability release.

- 10. Boats will be propelled only by oars, canoe or kayak paddles. Extra kayak paddles will be available for use on race day.
- 11. During competition, participants must be visible in the boat - not pushing, towing it, holding it between their legs, swimming or allowing the life jacket to provide the floatation of the vessel. Team members can be designated to help stabilize boats prior to the water portion of the races.
